TERMS OF SETTLEMENT TO BE ADOPTED
AS CONSENT JUDGMENT OF THE COURT

Preamble:

1. Whereas the Federal Republic of Nigeria (1st Respondent) being conscious of the civil war which occurred between 1967 and 1970 between it and the self-declared Biafra acknowledged the presence of abandoned landmines, explosives and other remnants of war which littered some parts of the South-East, South-South and part of North-Central Regions of Nigeria and the inherent dangers posed thereof.
2. Whereas the Federal Republic of Nigeria being mindful of her Constitutional responsibilities to safeguard lives and properties of her Citizens, in addition to her obligations under the Ottawa Convention, contracted in 2009 RSB Holdings Nigeria Limited and Deminers Concept Nigeria Limited (4th and 5th Respondents herein) for the purpose of demining the areas of South-East, South-South and part of North-Central Regions affected by the Nigeria Civil War.
3. Whereas in the course of execution of the contract which includes the pre-enumeration of landmine victims for possible assistance, clearance and destruction of all landmines by government in the mined areas of the South-East, South-South and part of North-

Central Region of Nigeria, the 4th and 5th Respondents found large quantities of Anti-Personnel Landmines, Explosive Remnants of War(ERW),some of which were recovered, seen and confirmed by the representatives of the Secretary General of the United Nations (UN) and the Director General of the Geneva International Center for Humanitarian Demining.

4. Whereas medical experts were employed by the 4th and 5th Respondents on behalf of the 1st,2nd and 3rd Respondents to screen and identify the true victims, all the parties to this suit acknowledge that 685 persons were selected and classified as survivors while 493 of them including the Applicants on record were confirmed as victims of either landmines or other dangerous military ordnance including locally fabricated weapons hence entitled to compensation including their families and communities.
5. Whereas the Parties also acknowledged that a total of over 17,000 bombs were recovered and destroyed by the 4th and 5th Respondents while a total of 1,317 are still in the stockpile located at the Mine Action Center, Owerri, Imo State, large quantity of live bombs still litter the Applicants' communities.
6. Whereas the Federal Republic of Nigeria pursuant to the aforementioned responsibilities in paragraph (2) further undertakes to remove and destroy without further delay all the stockpiled bombs at the Nigerian Mine Action Center, situate at Plot 108, Ndubuisi Kanu Street, New Owerri-Imo State of Nigeria.
7. Whereas the Parties firmly and irrevocably agree that the Applicants herein apart from their direct physical injuries, their families and communities at large have been deprived of the use of their farmlands since the cessation of the civil war hostilities in 1970.
8. Whereas the Parties herein acknowledge the commendable but belated determination of the Federal Republic of Nigeria (1st Respondent) to clear the war affected areas of the post war ordnances as demonstrated by hiring the services of the 4th and 5th Respondents to avert further injuries or loss of lives of her citizens.

9. Whereas the Parties herein have taken cognizance of the reliefs sought by the Applicants in Suit No: ECW/CCJ/APP/06/12 dated 27th April and filed on 2nd May, 2012 and have to negotiate same with changes as contained in schedules 1 to 4 to this Terms of Settlement.
10. Whereas the Parties herein after a prolong period of 4 years negotiation period have agreed to explore peaceful and honest out of court settlement of this matter.
11. Whereas the parties to this suit have firmly and irrevocably agreed that the parties involved in the suits mentioned in paragraph 12 below who are the enumerated victims shall and is hereby adopted as the persons directly injured, their families and communities in the subject matter of this suit.
12. Whereas the Parties herein have firmly and irrevocably agreed that this Terms of Settlement and reliefs herein shall operate as full and final settlement of all claims arising from the averred violation of the victims' rights as captured in this suit as well as Suit No. ECW/CCJ/APP/10/2014(DR. SAM EMEKA UKAEGBU & 7 ORS VS PRESIDENT, FEDERAL REPUBLIC OF NIGERIA & 6ors and ECW/CCJ /APP/11/2014 (PLACID IHEKWOABA &19 ORS VS PRESIDENT, FEDERAL REPUBLIC OF NIGERIA &6ORS and any other suits, action or matter however so called that may arise from this subject matter.
13. Whereas the Parties have irrevocably agreed that the compensation due and accruable to the Victims as, contained in schedule 4 to this Terms of Settlement shall be paid into the bank account(s) nominated by the Applicants' Counsel on Record to wit:- **CHIEF NOEL AGWUOCHA CHUKWUKADIBIA & CO. ACCOUNT NO. 1018230076. UNITED BANK FOR AFRICA [UBA]** and the money approved for the contractors [4th and 5th Respondents herein] shall be paid into the bank account nominated by the contractors to wit:- **DEMINERS CONCEPT NIG LTD. ACCOUNT NO. 1016296801. UNITED BANK FOR AFRICA [UBA]**

14. Whereas the 1st Respondent undertakes with the other parties to this suit to set up a National Programme on Mine Action and the establishment of the National Mine Action Authority.
15. Whereas the Parties herein have agreed that the 1st Respondent shall set in motion the machinery to domesticate the law on Mine Ban Treaty into the body of the Nigerian laws as it affects human rights of the Nigerian citizens.
16. Whereas the Parties herein have taken cognizance of the compensatory and general damages sought by the Applicants to be the sum of ₦100 billion however, the parties after due negotiation have adopted the sum of ₦ 50billion as contained in the schedule 4(1) to the Terms of Settlement as representing full and final pecuniary reliefs for the victims.
17. Whereas the Parties to this suit having reviewed and taken full cognizance of the dire situation and unmitigated threat posed to the Applicants and their communities by aging bombs and other post war lethal materials left under the elements in public places like schools, churches, courts, farmlands and markets places as contained in schedule 1 to this Terms of Settlement; has agreed pursuant to the responsibilities mentioned in paragraph (2) above that the 4th and 5th Respondents having satisfactorily performed the 1st phase of the project be mobilized back to site to complete the final phase of the on-going demining process.
18. Whereas the Parties herein have taken cognizance of the damages sought by the Applicants against the 1st, 2nd and 6th Respondents for demining, reconstruction and rehabilitation of damaged public buildings and have agreed that the sum of ₦38 billion as contained in Schedule 4(2) to the Terms of Settlement shall represent full and final consideration for total and complete demining and Destruction, Rebuilding of public buildings, Mine centre activities, Construction of class rooms, Provision of prosthetics e.t.c and all other activities enumerated thereunder.
19. Whereas, in order to ensure transparency and accountability, a Special Purpose Vehicle (SPV) comprising of all the necessary stakeholders shall be created for the implementation of the activities contained in Paragraph 2, Schedule 4 of the Terms of Settlement.
