

Dear

It is common knowledge that our great country Nigeria is at its defining moment to either make appreciable CHANGE which would guarantee the collective prosperity of Nigerians or to maintain its current declining situation and face the impending doom which would be disastrous to the nation and its citizens.

It is our conviction that you as a Commander of Men and Material would bear FAITHFUL ALLEGIANCE to the OATH you took as an Officer of the Federal Republic of Nigeria. We also believe that you shall ensure the same from all those under your Command.

LONG LIVE THE FEDERAL REPUBLIC OF NIGERIA

Dear

As you go to perform your duty in monitoring of the 2015 General Elections, it is our firm belief that you shall be guided by your unflinching patriotism to the Federal Republic of Nigeria and you shall bring your professional ethics to bear. We urge you to stand firm and not to compromise your principles. Identify with what is right that would bring the desired progress and change to our great nation and for our children's future.

God bless you and God bless the Federal Republic of Nigeria.
